

**Memorandum of Understanding
Between
Shenyang Aerospace University, China
And
Indian Institute of Aerospace Technology & Management
Collaborative centre of Singhania University, India**

In the spirit of mutual cooperation, Shenyang Aerospace University and Indian Institute of Aerospace Technology and Management enter this agreement for the purpose of enhancing the educational and research opportunities and experiences of their students and faculty. More specifically, this Agreement will promote:

1. Opportunities for qualified students enrolled at one university to study at the other university, and in such opportunities, student transfers will meet admission standards established by the respective institution;
2. The development of cooperative endeavors in research and education and the sharing of faculty and research scholars for such purposes;
3. The identification of commonalties which will nurture the relationship between these two universities;
4. The exchange of educational and cultural materials of mutual interest to both universities;
5. The recognition of each other as institutions that can and will provide attractive "study abroad" opportunities for students based upon the similarity of missions and mutual commitment to international understanding through education, research, and service;

This Agreement does not commit or imply any financial obligations on the part of either institution. Unless otherwise and specifically agreed to in writing and signed by both parties as a formal modification to this Agreement, each university is responsible for any expenses it may incur as a result of this Agreement.

Agreement will remain valid for 5 years after it has been signed by the authorized signatories of both parties. The Agreement will be deemed prolonged for another 5 years, unless one of the parties requests termination in the form of a written notice, sent to the other party at least 6 months prior to expiry. In case of termination, the programs or the activities that have already been approved by both parties by the date of the written notice shall be allowed completion under the conditions of the Agreement.

More detailed agreements between individual colleges and/or academic units may be added as addenda to this Agreement. The Agreement shall be reviewed during the fifth year to evaluate the progress and the quality of the mutual cooperation.
